

PMSC October Update

NOTICE TO PMSC MEMBERS CONCERNING:

1. THE UPCOMING CLOSURE OF DUNBARTON POOL
2. CLUB MERCHANDISE

Dear PMSC members:

1. Upcoming closure of Dunbarton Pool

The City of Pickering recently advised the club that the Dunbarton high school pool would be closed for about five weeks due to an urgent need to do roof repairs.

For safety reasons, the pool will be shut down from approximately October 30th to December 3rd, "pending the securing of the required contractors." Thus, our Thursday, October 31st workout would be the first one to be impacted by the closure.

PMSC's executive is working on a contingency plan to provide access to alternate swim times during this period. The two main options are the Pickering Recreation Complex (Chestnut Hill Developments Recreation Complex) and the TPASC facility.

- 1) There could be space at the Rec Complex as follows:
 - Monday evenings (3 lanes only)
 - Thursday evenings (3 lanes only)
 - Sunday mornings (Sat. is unavailable as PSC has the pool)
- 2) TPASC staff advised that there is availability on Monday (3-5 lanes) and Wednesday (5 lanes) evenings.

Factors to consider:

- No firm commitments have been made yet by the Club for pool rental space.
- There is uncertainty as to the exact dates. For example, we do not know whether the Dunbarton project will be completed on time.
- Rene has agreed to continue coaching the regular workouts on Mon. and Thurs. and to do the Sunday morning workout at the Rec Complex.
- Liane will continue to coach at TPASC on the first Tues. and the Club is willing to accommodate swimmers who want to switch from their posted schedule (e.g., if you think that it will be too crowded at the Rec Complex, you will be able to swim on Tuesday nights and the first Thursday of each month at TPASC).
- We have also contacted another coach who can take on additional time at TPASC.

The Executive needs your input! To ensure that we make the best decision on behalf of the members, please respond to this short survey.

Please click on [PMSC Contingency Plan Survey](#). A response by the morning of October 23 would be appreciated.

The results of the survey will be discussed at the upcoming AGM on Wednesday, October 23 at 7 p.m. (Lone Star at Kingston Rd. and Whites Rd.).
